

## **QUARANTINE PROTOCOLS**

**Updated December 10, 2020**

Effective December 10, 2020 the following updated quarantine protocols from the Department of Health will be implemented.

Reduction Duration 1 - For an individual who meets the criteria as a close contact exposure to a COVID-19 positive individual. The recommendation is for the exposed individual to stay at home 10 days after the last exposure with the COVID-19 positive individual.

Reduction Duration 2 - For an individual who meets the criteria as a close contact exposure to a COVID-19 positive individual. The recommendation is if the exposed individual tests NEGATIVE for SARS-CoV-2 from a sample collected on day five or later after last exposure AND stay at home for at least seven days after exposure. All test results need to be submitted to the employer with the employee's name, date of test and results.

Travel Advisory:

It takes all of us to protect and care for our community. Keeping this shared value in mind please remember that anyone traveling must adhere to the 14 day quarantine upon return to Ohio in accord with the COVID-19 Travel Advisory. The updated map can be found here: <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/families-and-individuals/COVID-19-Travel-Advisory/>
